

Mark your calendar for Thank-Scrip-ing Day! **For 24 hours from 9:00pm on Sunday, May 7<sup>th</sup> to 8:59pm on Monday, May 8<sup>th</sup> (AZ Time)**, ShopWithScrip will be offering bonus rebates on some of your favorite retailers! For example, iTunes usually offers a 5% rebate, but on a previous Thank-Scrip-ing Day, the rebate was 15% – a 10% bonus! The list of retailers and bonus amounts are TOP SECRET – we all have to wait until the promotion begins to find out who's participating and how much the bonuses will be.

To participate and earn the bonus rebates, you need a ShopWithScrip account to go online and purchase [ScripNow eCards](#) and [Reload or ReloadNow](#) scrip. Don't have an account yet? Use Enrollment Code: **DBFB6E8F6343** and follow the steps [HERE](#) to register. After enrollment, you are ready to shop! You can search for specific retailers you want to buy scrip for, or click the "Shop" tab to browse all the retailers.

In order to receive your ScripNow eCards or ReloadNow scrip within minutes of placing your order online, you must pay using PrestoPay. [PrestoPay](#) is a convenient way to purchase scrip online. When you use PrestoPay, your order payment is transferred securely via ACH electronic debit from your bank account. PrestoPay enrollment takes approximately 1 – 3 business days to complete the one-time set-up process – so don't delay, sign up now! A convenience fee of 15¢ per order will be applied. Plus, with PrestoPay you can also place your Thank-Scrip-ing Day order with your phone using [MyScripWallet](#), a mobile scrip experience. Not enrolled in PrestoPay yet? You can still participate and receive the bonus rebates if you pay by check or cash, as long as you place your order on Thank-Scrip-ing Day. However, you won't receive your scrip electronically until CTK receives your payment at the School Office and releases your online order.

**NOTE:** ScripNow are electronic gift cards (eCards) that you print out on your home computer and use in stores just like a physical gift card, or you can use it for online shopping by entering the gift card number and PIN on the checkout page. You can also customize ScripNow eCards to send as eGifts to anyone, anywhere, with an email address. Reload and ReloadNow scrip allows you to add funds to physical gift card you've already purchased through CTK's Scrip Program. Reload scrip orders are reloaded overnight, whereas ReloadNow orders are reloaded in minutes.
